

S14
E26 base

Key Features & Benefits

The new 130V E26 S14 LED lights bulb **integrates** a set of filament LED sources and is ideal to replace incandescent string lights bulbs. This series LED light bulbs are highly versatile, which can be in outdoor string lights fixtures and offer significant energy savings and environmentally friendly. Light output is 360° which is perfect for nighttime party events.

Technical Specifications:
