

## Tubular Style

### E12 base

### Key Features & Benefits

The new 120V E12 base **T6** LED series integrates a set of filament LED sources and is ideal to replace **incandescent** bulbs. Available: only 2W options. This series LED light bulbs are highly versatile, which can be used in pendants and sconces fixtures and offer significant energy savings and environmentally friendly.

### Technical Specifications:

| Model Name                    | JQ-T6-A02K27                                                                       | JQ-T6-A02K50                                                                         |
